NATIONAL BESTSELLER ONE OF THE NEW YORK TIMES 10 BEST BOOKS OF THE YEAR Who are the immensely wealthy right-wing ideologues shaping the fate of America today? From the bestselling author of *The Dark Side*, an electrifying work of investigative journalism that uncovers the agenda of this powerful group. In her new preface, Jane Mayer discusses the results of the most recent election and Donald Trump's victory, and how, despite much discussion to the contrary, this was a huge victory for the billionaires who have been pouring money in the American political system. Why is America living in an age of profound and widening economic inequality? Why have even modest attempts to address climate change been defeated again and again? Why do hedge-fund billionaires pay a far lower tax rate than middle-class workers? In a riveting and indelible feat of reporting, Jane Mayer illuminates the history of an elite cadre of plutocrats—headed by the Kochs, the Scaifes, the Olins, and the Bradleys—who have bankrolled a systematic plan to fundamentally alter the American political system. Mayer traces a byzantine trail of billions of dollars spent by the network, revealing a staggering conglomeration of think tanks, academic institutions, media groups, courthouses, and government allies that have fallen under their sphere of influence. Drawing from hundreds of exclusive interviews, as well as extensive scrutiny of public records, private papers, and court proceedings, Mayer

provides vivid portraits of the secretive figures behind the new American oligarchy and a searing look at the carefully concealed agendas steering the nation. *Dark Money* is an essential book for anyone who cares about the future of American democracy.

National Book Critics Circle Award Finalist LA Times Book Prize Finalist PEN/Jean Stein Book Award Finalist Shortlisted for the Lukas Prize Since the day Donald Trump announced his presidential campaign, the left has waged a demented war against him. Liberals used to pride themselves on their ultra-hipness, but Trump has turned them into weeping little girls in pink party dresses. The very people who once mocked right-wingers for (allegedly) overreacting to every little thing are now the ones hyperventilating and hatching insane conspiracy theories. During the campaign, and even more so after his victory, the left went nuts. Everything Trump does sends them into a moral panic. Everything is a constitutional crisis.

Members of the self-proclaimed "Resistance" -- journalists, politicians, professors, judges, comedians, movie stars, Twitter pundits, even Oprah and Lindsey Vonn! -- are literally shaking because Trump is literally Hitler! Now Ann Coulter skewers the various elements of "The Resistance" -- the pussy-hat brigade, the Russian-collusion witch hunters, the media alarmists, the campus hysterics, and more. They talk about Russia? They're the ones meddling with our democracy by trying to overturn the results of the election with their relentless attacks. The biggest result of the Trump era may be our cultural institutions' total loss of credibility. Examines how contemporary American working-class literature reveals the long-term effects of deindustrialization on individuals and communities Next time you're chattin' with your khaverim (friends) and mishpukheh (family), bust out some Yiddish expressions that'll liven up the conversation. Nothing is censored in Dirty Yiddish. It includes

phrases for any situation, so readers have enough chutzpah (balls) to tell the local deli that they've waited long enough for their knish, and explicit swear words crude enough to shock Bubby and everyone else at the Passover seder. There's even vulgar sex terminology so graphic it puts the outspoken Lower East Side princesses to shame. Bust out with expressions they never teach you in school, including cool slang, funny insults, explicit sex terms, and raw swear words. Dirty Yiddish teaches the casual expressions heard every day on the streets of New York . . . What's up? Vos makhst du? Crazy bastard!

Meshuggeneh momzer! I'm hammered. Ikh bin fershikkert. Don't fuck with me! Bareh mikh nit! I have the shits. Ikh hob a shittern mogn. Lick my pussy. Lekh meyn lokh. Was it good for you? Tsufreedn? He didn’t learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he’s discovered. Starting with pronunciation, you’ll learn how to rewire your ears and turn foreign sounds into familiar sounds. You’ll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you’ll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you’ll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day. **Publisher's Note: Products purchased from Third Party sellers are not guaranteed by the publisher for quality, authenticity, or**
