Basics of Biblical Greek

Grammar Jun 19 2020 Basics of the Biblical Greek is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural

process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. Basics of Biblical Greek: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-

year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs Flashworks(TM) and Parseworks from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And

Gideon Dec 14 2019 Women's Bible study by Priscilla Shirer that looks at Gideon's life.

He Speaks to Me Oct 16 2022 "When we approach God humbly and bow down before Him, we put ourselves in a position to hear from Him." Are you longing to hear God's voice, but feeling disconnected? God wants to speak directly to each of His beloved children, not to just a few "spiritual elite." Priscilla

Shirer looks at God's call to Samuel and uncovers six characteristics essential for hearing from God: A simple RELATIONSHIP, unfettered by sin or pride A single-minded WORSHIP, focused on God and His glory A set-apart HOLINESS, determined to live a life that honors Him A still ATTENTIVENESS, willing to be silent before Him A sold-out HUNGER, passionately pursuing God's presence A servant SPIRIT, submitted to God's call Her warmth and honesty, combined with a wealth of practical help, will inspire you to cultivate these traits in your own life. By doing so, you will prepare yourself to draw closer to Him and to hear

His voice more clearly.

God's Answers to Life's Difficult Questions Dec 26 2020
Life is full of difficult questions, but when we have questions, the Bible has answers. In God's Answers to Life's Difficult Questions, Rick Warren, pastor and New York Times bestselling author, invites us to take a closer look at key biblical figures and the ways in which they walked through the challenges they faced in their daily lives. Rick Warren uses stories from scripture to teach us that the Bible is filled with examples of real people who faced the same dilemmas we're facing today. By demonstrating the ways in which God chooses to use ordinary people to accomplish his plans--despite

their weaknesses and failures-- Warren gives us hope as we take on life's countless challenges. Better yet, Warren provides us with realistic solutions that we can start putting into practice today. Warren takes us inside the lives of biblical characters including Moses, Paul, and Jesus himself, giving you a chance to see the up-close-and-personal ways that they navigated their own circumstances. Although God's Answers to Life's Difficult Questions is anchored in timeless stories from Scripture, Warren also weaves in modern examples that address the twelve questions he's asked the most as a spiritual leader,

including: How can I learn to handle discouragement? How can I respond better in a crisis? How do I become more resilient when I feel like a failure? How can I fight my loneliness? How is change possible for me? How can I lead a more peaceful life? The concrete, practical insights that Warren shares in God's Answers to Life's Difficult Questions will give you the tools you need to build up your resilience, strengthen your relationship with God, and finally enjoy a life full of lasting purpose, peace, and significance today.

The Egyptians in Exodus 1 were intent on enslaving the Israelites, wearing them down so that God's chosen people would become disillusioned and not live up to their destiny. Of the original two million Israelites who received God's invitation to enter the Promised Land, only two actually entered it! Similarly, modern day

Christians often hear and understand the promises of God each Sunday morning at church but then rarely choose to experience them in everyday life. In *One in a Million*, Bible teacher Priscilla Shirer invites us to change that pattern for good, living beyond our circumstances and expecting to see God move in miraculous ways day after day. Without a doubt, we can find and follow God's purpose for our journey. We can make it to the Promised Land!

The Screwtape Letters Feb 20 2023 What if you were a demon? What if your job was to thwart humans and to keep those humans from finding God? How would you do it? CS Lewis' devious little book "The Screwtape Letters" records the fictitious letters between two demons discussing this very issue. What the story is REALLY about is what makes humans succeed or fail in their search for God. It is about where, how, and why humans are weak. It is about the sneaky, unexpected parts of our lives that can either destroy us or lead us to

fulfillment in God. This Best-Selling study guide and workbook unpacks the major lessons Lewis emphasizes and applies these lessons to our daily lives. The Best Selling Kindle study guide is now available in this physical workbook format.

The Problem of God Study Guide May 19 2020
The Problem of God is written by a skeptic who became a Christian and then a pastor, all while exploring answers to the most difficult questions raised against Christianity. Mark grew up in an atheistic home, and after his father's death, began a skeptical search for truth through exploring science, philosophy, and history, asking the big questions of life, and eventually finding answers in Christianity. In a disarming, winsome, and persuasive way, The Problem of God responds to the top ten questions people raise against God, and Christianity, including, among

others: The Problem of Science
The Problem of God's Existence
The Problem of the Bible The
Problem of Evil and Suffering
The Problem of Hell The
Problem of Sex The Problem of
Hypocrisy Each chapter

using a mix of theology,
philosophy, and science on the
one hand, while also using
stories, illustrations, and
anecdotes. It's apologetics for
the rest of us, focused on both
convincing the skeptic, and
informing the Christian.
