As well as doodling deadly dinosaurs, you'll find out fascinating facts about the creatures that inhabited Earth many millions of years ago. Welcome to Mister Doodle's world—it's different as can be. Come along and help explore his world from A to Z. In C Is for City, we meet Mister Doodle—a stick figure who lives somewhere in between the real world and a child's imagination. He's smart and sophisticated with a hint of goofiness—a winning combination that allows him to teach the ABC's while entertaining! C Is for City introduces toddlers to a unique art style—a mixture of black line art and photography—never before seen in

board books. The black ink drawings are simple and clean. The photographs are colorful, and chosen strategically to highlight each letter being taught. The Mister Doodle books also have a “hidden” layer of educational content for hours of fun learning! On each page of C Is for City, toddlers will learn multiple words that start with that particular letter—not just the one word mentioned in the text. For example, they will discover that not only is C for “City,” but C is for “car” or “cab” as well. The entertainment and educational value of this alphabet book far surpasses one read! Boys will love drawing and doodling in this fun activity book for any creative kid. With a shiny foiled cover and 160 spectacular interior pages that feature engaging, full-color artwork, you're guaranteed hours and hours of enjoyment. Plus, every page is perforated for easy pullout to display YOUR piece of art. The Boys' Doodle Book is packed with pirates, dinosaurs, robots, and more, daring boys to let their imaginations run wild! A fun and simple sentence on each page instructs what to do, such as "draw a cool tree house," "how will you escape from a crocodile?" and "draw a flying machine." So get ready, get set, and doodle! As always, no drawing skills are required—just your imagination. Over 90 pages of awesome art are waiting for your creative color choices to make them your own. The delightful doodles are the original creations of "The Doodle Boy" Joe Whale, an inspirational young artist who's been painting and drawing from a very young age. If you are a doodler and obsessed with coloring doodles then this book is definitely for you. Or you can just admire the detailed art. This book includes 30 detailed images that are perfect for coloring with markers, fine tip pens, colored pencils, or crayons! Get all the detail you have been looking for, without having to problems to get color in the smallest spaces. A perfect companion for helping you to relieve everyday stress. Fill in an artist's blank canvas, sketch the view from an astronomer's telescope, and draw a cowboy's horse! Doodlers will delight in completing this compact volume's collection of more than 120 illustrations. Ben Cameron's tragidoodles have been hailed as “the most upsetting doodles in the world” (Mirror) and as

the work of “an artist with a knack for pulling on the internet’s heartstrings” (Buzzfeed). This first-ever printed collection brings together Ben’s most popular, heartbreaking, bittersweet and endlessly witty cartoons, combining his viral creations with brand new, never-before-shared illustrations. Flip through and witness the dinosaurs’ final moments on Earth, a melting candle facing its all but certain demise, a hedgehog who’s just looking for love, an existential bear and a host of other creatures who are just trying to make it through the day. Packed with 101 illustrations that will make you sad, make you laugh, and then make you feel bad for laughing, Tragicdoodles is a must-have collection and the perfect Christmas gift. A busload of doodling prompts and travel games about cool, interesting, and just plain weird places in the United States, Canada, the world, and beyond! Ever been to Buttzville, New Jersey? Wanted to hightail it out of Gross, Kansas? Wondered what the center of the earth or some alien BFFs might look like? Here's a chance for kids' imaginations to run wild while keeping busy on that long road trip.

"Doodle Queen" Anita Wood is the author of Pocketdoodles for Girls, Pocketdoodles for Princesses, and B.F.F. Journal. unique coloring book. Roll to the top and add it to your cart. The Whangdoodle was once the wisest, the kindest, and the most extraordinary creature in the world. Then he disappeared and created a wonderful land for himself and all the other remarkable animals -- the ten-legged Sidewinders, the little furry Flukes, the friendly Whiffle Bird, and the treacherous, "oily" Prock. It was an almost perfect place where the last of the really great Whangdoodles could rule his kingdom with "peace, love and a sense of fun"-- apart from and forgotten by people. But not completely forgotten. Professor Savant believed in the Whangdoodle. And when he told the three Potter children of his search for the spectacular creature, Lindy, Tom, and Ben were eager to reach Whangdoodleland. With the Professor's help, they discovered the secret way. But waiting for them was the scheming Prock, who would use almost any means to keep them away from his beloved king. Only by skill and determination were the four travelers able to discover the last of the really great Whangdoodles and grant him his heart's desire. Julie Andrews Edwards, star of stage and screen, has written a unique and beloved story that has become a modern classic. The Last of the Really Great Whangdoodles is

sure to continue to delight readers everywhere. This edition includes a new foreword by the author. Readers are encouraged to "be the brush" along with Gumball and Darwin, stars of Cartoon Network's "The Amazing World of Gumball." Whoever said there's strength in numbers lied. Meet Marzi. She's an introvert who often finds herself in awkward situations. Marzi used to feel strange about her introverted tendencies. Not anymore! Now she knows that there are tons of introverts out there just like her--introverts who enjoy peace and quiet, need time alone to recharge their battery, and who prefer staying in with their pet and a good book to awkward social interactions. Just like Marzi, these introverts can often be found in libraries, at home watching Netflix, brainstorming excuses to miss your next party, or doodling cute cartoons. Being an introvert in an extrovert world isn't always easy, but it certainly is an adventure. In *Introvert Doodles*, follow Marzi through all of her most uncomfortable, charming, honest, and hilarious moments that everyone--introvert, extrovert, or somewhere in between--can relate to. A collectible, four-color illustrated A–Z treasury of gangster rappers, the hip-hop high-life, and notorious pop culture history, told through a series of graphic doodles on 3” x 3” sticky notes. Four years ago, a Post-it® note changed Marlon Sassy’s life. Using office supplies “borrowed” from his admin job, Sassy began creating colorful sketches of rappers in highlighter, Sharpie, and pen. He made his debut posting his rendition of Snoop on Tumblr under the pseudonym “Gangster Doodles.” Next was Bart Simpson and Biggie, then Yams and Yeezy. Soon, he had amassed a cult following of fans who clamored for his next artistic interpretation. *Gangster Doodles* brings together more than 400 of his most popular illustrations with thirty never-before-seen pieces. An impressive and comprehensive A–Z compendium, it features everyone from Black Jesus to Beyoncé, Kendrick Lamar to LeBron James, Jean-Michel Basquiat to Young Thug, and Kermit the Frog to Action Bronson. This is the ultimate gift for rap fanatics and pop culture addicts alike. In the world of dogs, there is now more awareness than ever of the

need to provide enrichment, especially in shelters. But what exactly is enrichment? The concept is pretty straightforward: learn what your dog's needs are, and then structure an environment and routine that allows them to engage in behaviors they find enriching. To truly enrich your dog's life, you should offer them opportunities to engage in natural or instinctual behaviors. Aside from the limitations we have to place on a dog in today's modern, busy world, the biggest constraint to enriching your dog's life is your imagination! What the experts say about Canine Enrichment: Don't let the word "enrichment" in the title fool you into thinking that the scope of this book is too narrow or not something you will find valuable. It focuses comprehensively on meeting your dog's needs and is written in a holistic, science-based, practical, straightforward, and easy-to-understand way. I love this book! Ken Ramirez, author of *Animal Training: Successful Animal Management Through Positive Reinforcement* Canine Enrichment is a deep dive into what dogs really need and how we can provide it. It's a great book for dog lovers who want to go beyond the standard superficialities of "dogs need exercise." Just the chapter on agency is worth the price of the book! Patricia McConnell, Ph.D., CAAB Emeritus, author of *The Other End of the Leash* and *The Education of Will* The scope of this book is ambitious and the authors deliver, navigating the subject of enrichment with depth and relevance. Caregivers will gain critically important perspectives and practical information to improve the lives of their animals. Susan G. Friedman, Ph.D., Professor Emeritus, Utah State University, and founder of Behavior Works, LLC
