This perennial best-seller is written for Advanced Grammar and Composition or Advanced Composition and Conversation classes. Repase y escriba combines solid grammar coverage with contemporary readings from a variety of sources, including literature, magazines, and newspapers. Readings are preceded by a short passage introducing the author and the context and is followed by vocabulary, comprehension questions and conversation prompts. The Sección léxica teaches readers proverbs, idioms, and word families. There are also topics for creative compositions with guidelines. With updated literary and cultural readings, Repase y Escriba includes an "oral exchange," to make the text more useful when stressing conversation. The 2nd edition MYP student workbook contains individual unique ATL skills exercises that cover all five Categories, ten Clusters and 134 skills Practices that make up the full ATL framework for MYP. The workbook has been designed for MYP students to use for all their MYP years. The exercises have been designed so that each one can be used by any teacher in any subject. Schools will be able to create and deliver their own unique ATL programme to suit their school, their country and their particular mix of cultures.
