***In her diary, Mary Boykin Chesnut, the wife of a Confederate general and aid to president Jefferson Davis, James Chestnut, Jr., presents an eyewitness account of the Civil War. The telephone had just been mended again, and the man suggested as he left that the little boy find another plaything. Phyllis indignantly protested that Willis had done no damage to the instrument, and that the frequent defects were due to the failure of the workman to put it in proper condition. Being thus defended by so strong an ally, Willis lost no time in attacking the forbidden object as soon as the door was closed. "Let de ole telerfome erlone, baby," said Phyllis in a tone of sympathetic protest. But the boy could not resist such an opportunity. "Dat table tiltin' right now." She caught her breath as the table righted itself. "An' dat telerfom'll bus' yo' haid wide op'n." "I'm going to talk to my papa." "You gwinter talk ter er bust'd haid, dat's who you—" At that moment, table, telephone, boy and all fell to the floor with a bang. "What'd I tell yer?" Willis answered with a succession of screams that admitted of no argument or consolation. Phyllis offered none until she had satisfied herself that a bumped head and a much frightened little boy were the extent of the damage. "Mammy gwine whup dat telerfome," she continued, "an' de flo' too, caze dey hu't her baby." And she proceeded to execute the threat. "Don't whip the telephone—whip the table!" he screamed. "Dat's right," striking the table with a towel; "'twas dat ole table done all de***

*mischuf—Mammy gwina rub camfer on dat telerfome’s haid des like she rub’in on yorn, an’ beg his pard’n too,” looking for the raised place. “Come on ov’r ter de wind’r so Mammy kin see her baby’s haid good!” During the 1980s, the geography of minor-league professional hockey changed radically, moving from its roots in the Canadian Maritime provinces, New England and the Midwestern states into the American south. In addition to cities like Dallas, Charlotte, Norfolk and Oklahoma City, which had long traditions of minor-league hockey, unlikely places such as Biloxi, Baton Rouge, Little Rock and Augusta hosted teams. Over an 18-year period, minor-league hockey was played in 72 different southern cities, and at one point there were more minor-league teams in Texas than in all of Canada, making Texas the place where many players learned their hockey skills. Hockey Night in Dixie examines this phenomenon with a historical overview of the period, including interviews with people involved in the founding and early years of each of the 13 leagues. There are also in-depth portraits of four teams, one from each of the four lower minor leagues that played during the 2005-06 season. These portraits feature interviews with owners, coaches, players, officials, fans and reporters. Amply illustrated with photographs, Hockey Night in Dixie paints a vivid picture of this extraordinary development in minor-league sports. This biography of Dixie McNeil captures the genius of the football legend who shot to prominence in the 1970s. He was instrumental in helping Hereford Utd and Wrexham FC to reach the second tier of the English league for the first time in their histories. Dixie played in an era long before the big football salaries came into being. Over the course of fifty years in the mid-twentieth century, Fred “Dixie” Walker lived several baseball lives. Dubbed the successor to Babe Ruth after his impressive major league debut in 1931, Walker went from sure-fire prospect to injury-plagued underachiever, to Brooklyn hero, to persona non grata because of his complicated relationship with Jackie Robinson, and finally to redeemed, well-respected minor league manager and major league batting coach. The only player to have been a teammate of both Babe Ruth and Jackie Robinson, Walker is remembered too often for the charge that he tried to keep Robinson from joining the Dodgers. This illuminating biography covers Walker’s rollercoaster career, revealing him to be a gentle man, a fiery competitor, and one of the most colorful characters of baseball’s most memorable era. A remarkable exploration of the best in written works from around the world is at the heart of an amazing new literature series from respected educator and author, Dr. James Stobaugh. Contains concept building exercises for warm-up, suggested reading lists and schedules, writing activities for enrichment, biblical applications and special project and critical thinking exercises. Comprehensive and complete to allow for a year’s worth of study. Structured*

*to stand alone or be integrated into a comprehensive curriculum, designed to present a strong sample of literature to help the Christian student from a strong and biblical worldview. From the Jim Crow world of 1920s Greenville, South Carolina, to Greenwich Village's Café Society in the '40s, to their 1974 Grammy-winning collaboration on "Loves Me Like a Rock," the Dixie Hummingbirds have been one of gospel's most durable and inspiring groups. Now, Jerry Zolten tells the Hummingbirds' fascinating story and with it the story of a changing music industry and a changing nation. When James Davis and his high-school friends starting singing together in a rural South Carolina church they could not have foreseen the road that was about to unfold before them. They began a ten-year jaunt of "wildcatting," traveling from town to town, working local radio stations, schools, and churches, struggling to make a name for themselves. By 1939 the a cappella singers were recording their four-part harmony spirituals on the prestigious Decca label. By 1942 they had moved north to Philadelphia and then New York where, backed by Lester Young's band, they regularly brought the house down at the city's first integrated nightclub, Café Society. From there the group rode a wave of popularity that would propel them to nation-wide tours, major record contracts, collaborations with Stevie Wonder and Paul Simon, and a career still vibrant today as they approach their seventy-fifth anniversary. Drawing generously on interviews with Hank Ballard, Otis Williams, and other artists who worked with the Hummingbirds, as well as with members James Davis, Ira Tucker, Howard Carroll, and many others, The Dixie Hummingbirds brings vividly to life the growth of a gospel group and of gospel music itself. From the New York Times bestselling author of The Red Hat Club comes a hilarious story of marriage and love and second chances When Elizabeth Mooney escaped the shame of her "white trash" family to marry the crown prince of her small town, Howell Whittington, she never dreamed that thirty years later, she'd end up trapped in a loveless marriage to the cruel banker who's foreclosing on all her friends. Then Howe has a stroke sitting up in church, and when he wakes up, he's at the mercy of all his appetites and emotions. Transformed, Howe wants to be a real husband, which scares proper, repressed Elizabeth to death, and setting out to right past wrongs, he blackmails the town's baddies into doing the right thing by threatening to foreclose on their mortgages. The ensuing hilarious rollercoaster ride wakes up not only Elizabeth and their marriage, but the whole town and its hidebound institutions. Solving word problems requires both strategy and skill. When confronted with a problem, students need to figure out how to solve the problem and then solve it! The 250 exercises in each book help students learn a variety of strategies for solving problems as well as grade-specific math skills. A biography of Fred "Dixie" Walker, a gifted ballplayer who played in the majors for 18 seasons*

*and in 1,905 games, assembling a career batting average of .306 while playing for the Yankees, White Sox, Tigers, Dodgers, and Pirates. In 1908 baseball was the only game that mattered in the South. With no major league team in the region, rivalries between Southern Association cities such as Atlanta, Birmingham, Memphis, and New Orleans were heated. This season, however, no city was as baseball-crazed as Nashville, whose Vols had been league doormat in 1907. After an unpromising start, the Nashville club clawed its way into contention during the month of July, rising into the upper division, then into a battle for first. Local interest intensified, as the competitive fire of Nashville fans was stoked by sharp-tongued columnist Grantland Rice and the city's three daily newspapers. By the time the Vols met the New Orleans Pelicans for a season-ending series, and the championship, the city was gripped by a pennant fever that shut down the commercial district. Nearly 13,000 people thronged the Nashville ballpark, Sulphur Dell, for the third and deciding contest. What they saw was described by Rice as "the greatest game ever played in Dixie." The wife of an aide to Jefferson Davis and a prominent hostess in the highest circles of Confederate society offers a compelling firsthand account of Southern life during the Civil War. In an era during which the United States Supreme Court handed down some of its most important decisions, including *Brown v. Board of Education* (1954), *Baker v. Carr* (1962), and *Miranda v. Arizona* (1966), three senators from South Carolina—Olin Johnston, Strom Thurmond, and Ernest "Fritz" Hollings—waged war on the court's progressive agenda by targeting the federal judicial nominations process. *To Face Down Dixie* explores these senators' role in some of the most contentious confirmation battles in recent history, including those of Thurgood Marshall, Abe Fortas, and Clement Haynsworth. In scrutinizing Supreme Court nominees and attempting to restrict the power of the nine justices of the court, these senators defied not only the leadership of the Democratic Party but also the Senate traditions of hierarchy and seniority. Along with South Carolina's conservative, segregationist political establishment, which maintained ironclad control over the state's legislature, Johnston, Thurmond, and Hollings effectively drowned out the many moderate voices in South Carolina that remained critical of their obstructionism, thus advancing their own conservative credentials and boosting their chances of reelection. *To Face Down Dixie* examines for the first time the central role that South Carolina played in turning Supreme Court nomination hearings into confrontational and political public events. James O. Heath argues that the state's war on the court concealed its antipathy to civil rights by using the confirmation process to challenge the court's function as the final arbiter of policy on questions relating to law and order, obscenity, communist subversion, and school prayer. Heath's*

*study illustrates that while South Carolina's history of "massive resistance" is less prominent than that of other states, its politicians acted as persistent antagonists in the complex and dramatic debates in the U.S. Senate during the era of civil rights. How did enslaved African Americans in the Old South really experience Christmas? Did Christmastime provide slaves with a lengthy and jubilant respite from labor and the whip, as is generally assumed, or is the story far more complex and troubling? In this provocative, revisionist, and sometimes chilling account, Robert E. May chides the conventional wisdom for simplifying black perspectives, uncritically accepting southern white literary tropes about the holiday, and overlooking evidence not only that countless southern whites passed Christmases fearful that their slaves would revolt but also that slavery's most punitive features persisted at holiday time. In *Yuletide in Dixie*, May uncovers a dark reality that not only alters our understanding of that history but also sheds new light on the breakdown of slavery in the Civil War and how false assumptions about slave Christmases afterward became harnessed to myths undergirding white supremacy in the United States. By exposing the underside of slave Christmases, May helps us better understand the problematic stereotypes of modern southern historical tourism and why disputes over Confederate memory retain such staying power today. A major reinterpretation of human bondage, *Yuletide in Dixie* challenges disturbing myths embedded deeply in our culture. (Berklee Guide). Step away from the practice pad! Legendary drummer Rod Morgenstein reveals his innovative warm-up method designed to limber up your entire body. Features exercises to develop and improve your speed, power, control, coordination, independence, accuracy, endurance and agility. With this book, you'll gain a greater facility and command of the drum set, along with an increased feeling of confidence. "The definitive text for improving technical facility on the drum set." Ron Spagnardi Editor/Publisher, Modern Drummer*

**HE HAD A WAY OF TALKING. I BRUSHED HIS GAT AWAY FROM MY FACE AND BROUGHT MY CUFFS INTO PLAY. THEY MOPPED AT THE BLOOD ON MY FACE. I PLAYED ONE OF MY TUNES. "SOMEDAY STACEY, WHEN YOU'RE OUT FROM BEHIND THE TIN; OR MAYBE SOME DARK NIGHT IN SOME LONELY PLACE; ONE OF THOSE NIGHTS THAT ARE BAD FOR COPS, I'LL BE THERE. YOU WILL NEVER KNOW WHEN, BUT I'LL BE THERE; UNTIL THEN KEEP LOOKING OVER YOUR SHOULDER." IT WAS A BIT OF A LONG TALK FOR ME THEN, IN THAT SITUATION. HE REPLIED. "YOU STILL PLAYING THAT WORN OUT SPEECH? IT WAS OLD WHEN YOU PLAYED IT THE FIRST TIME." THE CONTEMPT IN HIS VOICE FILLED THE INTERIOR OF THE CAR. IT WAS MATCHED ONLY BY HIS DEAD-EYE STARE. I LOOKED BEYOND HIM, BACK AT THE HOUSE; HIS GAZE REMAINED FIXED ON MY FACE. THE COPS**

**AROUND THE HOUSE WERE ALL PRE-OCCUPIED. I SAID TO HIM. "NO TIME LIKE THE PRESENT." IN THE BARS, BACK IN ATLANTIC CITY, THEY TALK ABOUT SCOTLAND, OVER IN EUROPE. OVER THERE, IN SCOTLAND, THERE IS A LITTLE PLACE ON THE CLYDE RIVER. WELL, IT'S JUST ABOUT THE BIGGEST DARN TOWN IN THE COUNTRY OF SCOTLAND. IN THAT LITTLE PLACE CALLED GLASGOW, A GUY KISSES HIS OPPONENT, TO GET THE UPPER HAND. I GAVE LIEUTENANT BEN STACEY A GLASGOW KISS. AS HE SLUMPED BACK AGAINST THE SEAT I TUMBLED HIS BODY OUT THE OPEN DOOR AND ONTO THE ROADSIDE. I TOOK THE MOTOR OUT FROM THERE, LIKE IT WAS THE START OF THE INDIANAPOLIS 500. Two generations ago Kevin Phillips challenged Republicans to envision a southern-based national majority. In *Whistling Past Dixie*, Tom Schaller issues an equally transformative challenge to Democrats: Build a winning coalition outside the South. The South is no longer the "swing" region in American politics -- it has swung to the Republicans. Most of the South is beyond the Democrats' reach, and what remains is moving steadily into the Republican column. The twin effects of race and religion produce a socially conservative, electorally hostile environment for most Democratic candidates. What's wrong with Kansas is even more wrong in the South, where cultural issues matter most to voters. Yet far too many politicians and pundits still subscribe to the idea that Democrats must recapture the South. This southern nostalgia goes beyond sentimentality: It is a dangerously self-destructive form of political myopia which, uncorrected, will only relegate the Democrats to minority-party status for a generation. The notion that Democrats should pin their hopes for revival on the tail of a southern donkey is no less absurd than witnessing the children's variant of the party game, for both involve desperate attempts to hit elusive targets while wandering around blindfolded. Meanwhile, political attitudes and demographic changes in other parts of the country are more favorable to Democratic messages and messengers. The Midwest and Southwest are the nation's most competitive regions. There are opportunities to expand Democratic margins in the Mountain red states while consolidating control over the reliably blue northeastern and Pacific coast states. Before dreaming of forty-nine-state presidential landslides like those of Richard Nixon and Ronald Reagan, the Democrats ought to first figure out how to win twenty-nine states. And that means capturing Arizona -- or even Alaska -- before targeting Alabama. Republicans cannot win without the South, Schaller argues, but they also can't win with the South alone. Much as Democrats were confined to the South for decades prior to the New Deal, the Democrats should South but little else. After winning and governing successfully elsewhere, Democrats can then present their record of achievement to the South -- the nation's most conservative region, but one**

*that is steadily assimilating with the politics of the rest of America and, therefore, will become more competitive in the future. But for now, Democrats must put strategy ahead of sentimentality. To form a new and enduring majority coalition, they must whistle past their electoral graveyard. They must whistle past Dixie. While the story of the reintegration of professional football in 1946 after World War II is a topic that has been covered, there is a little-known aspect of this integration that has not been fully explored. After World War II and up until the mid- to late 1960s, professional football teams scheduled numerous preseason games in the South. Once African American players started dotting the rosters of these teams, they had to face Jim Crow conditions. Early on, black players were barred from playing in some cities. Most encountered segregated accommodations when they stayed in the South. And when African Americans in these southern cities came to see their favorite black players perform, they were relegated to segregated seating conditions. To add to the challenges these African American players and fans endured, professional football gradually started placing franchises in still-segregated cities as early as 1937, culminating with the new AFL placing franchises in Dallas and Houston in 1960. That same year, the NFL followed suit by placing a franchise in Dallas. Now, instead of just visiting a southern city for a day or so to play an exhibition game, African American players that were on the rosters of these southern teams had to live in these still segregated cities. Many of these players, being from the North or West Coast, had never dealt with de jure or even de facto Jim Crow laws. Early on, if these African American players didn't "toe the line" or fought back (via contract disputes, interracial relationships, requesting better living accommodations in the South, protesting segregated seating, etc.), they were traded, cut, and even blackballed from the league. Eventually, though, as the civil rights movement gained steam in the 1950s and 1960s, African American players were able to protest the conditions in the South with success. Much of what happened in professional football during this time period coincided with or mirrored events in America and the civil rights movement. This book is the author's Civil War diary from February 18, 1861, to June 26, 1865. She was an eyewitness to many historic events as she accompanied her husband to significant sites of the Civil War. From matchmaking carolers to a festive lights competition, four bestselling authors explore the magic of the holidays in these heartwarming small towns. The Perfect Christmas by Carolyn Brown Rugged cowboy Landon Griffin can't help being smitten by single mom Dixie Boudreaux and her baby girl. To help win their hearts, he wants to give them both the perfect holiday at Longhorn Ranch -- baking cookies, trimming the tree, building snowmen, and the whole works. But when nothing seems to go right, he might need a Christmas miracle to help*

him out of the mess. *Joy to the World* by Hope Ramsay Retired music teacher Brenda McMillan has lost her holiday spirit, but reluctantly agrees to fill in for the director of the Magnolia Harbor Christmas Chorale -- even though Dr. James Killough, the town's biggest Christmas enthusiast, is the group's accompanist. Will he have enough Christmas magic to mend her broken heart? *Home for the Holidays* by Rochelle Alers Pastry chef Iris Nelson is looking forward to spending Christmas on Cavanaugh Island with her best friend's family. But she wasn't expecting to celebrate with their very handsome visitor on leave from Afghanistan. Is their attraction just the glow of the season or a gift to enjoy forever? *A Christmas Cowboy at Heart* by A.J. Pine For Deputy Sheriff Daniela Garcia, no hometown tradition makes her happier than the Meadow Valley Holiday Light Parade. This year she's planning for the sheriff's office to have the most dazzling lights. But when the new mayor -- and certified grinch -- threatens to cancel the event, Dani will have to show him the true meaning of Christmas. Knowing how to surround yourself well, accepting to share our difficulties can be solutions to many problems. Such is the lesson of this tale. The young dog Dixie has experienced all these emotions. The love of Charlie and the friendship of the animal friends from the forest, of whom Fred the groundhog and grandmother Binn the crow, guided her steps after many adventures and doubts, toward a new life where there is room for happiness. All of this shows that ordeals allow for reflection, for asking questions, for growing, and that friends are there to share difficult moments. A tale for children or for adults? And if it were addressed to all? For here is a tale that arouses, regardless of age, reflection and exchange. It is specifically addressed to people who: - Feel different from others - Search for their own happiness - Are confronted with difficult choices - Have trouble forgiving - Experience great anxiety when confronted with change in life - Experience a period of mourning or a demanding sickness - Believe in the strength of friendship - Like the companionship of animals. The young dog Dixie has experienced all these emotions. The love of Charlie and the friendship of the animal friends from the forest, of whom Fred the groundhog and grandmother Binn the crow, guided her steps after many adventures and doubts, toward a new life where there is room for happiness. All of this shows that ordeals allow for reflection, for asking questions, for growing, and that friends are there to share difficult moment. Tale for more than 8 years old and adults! ABOUT THE AUTHOR Ginette Rochon had a long career as a pedagogue before embarking on writing by being in turn a teacher, educational adviser, school administrator and volunteer worker in Haiti. At the same time, the outdoors, travel, international cooperation and, of course, writing have always had a special place in his heart... and in his agenda! After 5 years as a journalist for outdoor magazines, she decided to dive into writing for

**publication. His specialty: to humanize animals by lending them words and thoughts to better make their two-legged friends think. (Berklee Guide). Step away from the practice pad! Legendary drummer Rod Morgenstein reveals his innovative warm-up method designed to limber up your entire body. Features exercises to develop and improve your speed, power, control, coordination, independence, accuracy, endurance and agility. Ron Spagnardi Editor/Publisher, Modern Drummer New York's Finest**

**What was a nice-guy cop to do when his motorcycle was hijacked by a blond bombshell fleeing a church in a wedding gown? Rescue her, of course. Particularly when the reluctant bride was none other than gum-cracking, down-home Dixie Davis, all-American sexpot! Runaway Bride Thanks to Patrick Flynn, Dixie had escaped marrying a notorious gangster. Straitlaced Yankees weren't usually her type, but Dixie had a powerful hankerin' for her impromptu bodyguard. And sooner or later, Flynn was bound to take notice of the body he was guarding! Examining the growth of the Ku Klux Klan (KKK) following the birth of the civil rights movement, this book is filled with tales of the heroic efforts to halt their rise to power. Shortly after the success of the Montgomery bus boycott, the KKK—determined to keep segregation as the way of life in Alabama—staged a resurgence, and the strong-armed leadership of Governor George C. Wallace, who defied the new civil rights laws, empowered the Klan's most violent members. Although Wallace's power grew, not everyone accepted his unjust policies, and blacks such as Martin Luther King Jr., J. L. Chestnut, and Bernard LaFayette began fighting back in the courthouses and schoolhouses, as did young southern lawyers such as Charles "Chuck" Morgan, who became the ACLU's southern director; Morris Dees, who cofounded the Southern Poverty Law Center; and Bill Baxley, Alabama attorney general, who successfully prosecuted the bomber of Birmingham's 16th Street Baptist Church and legally halted some of Governor Wallace's agencies designed to slow down integration. Dozens of exciting, extremely well-told stories demonstrate how blacks defied violence and whites defied public ostracism and indifference in the face of kidnappings, bombings, and murders. "The story of the convergence of Washington Redskins owner George Preston Marshall, resisting integration as the last holdout in football and in pro sports, with the major changes that took place in the NFL from 1958 through 1962"-- Two magnolias-and-mistletoe-inspired holiday stories from the bestselling author of more than thirty romantic, humorous novels. Laughter and love combine in Sandra Hill's BLUE CHRISTMAS--with a touch of Elvis magic. Wealthy Wall Street businessman Clayton Jessup III has only one reason for arriving in Memphis a few days**

*before Christmas--to sell off his inheritance, an embarrassingly kitschy hotel named The Blue Suede Suites. His feelings for the Land of Elvis are dark: his long-dead Memphis mother abandoned him and his dad when Clay was a baby, and now Clay wants nothing to do with a southern legacy that couldn't be more different from his sophisticated big-city life. But then he steps in trouble--literally--when he confronts the bizarre group of Elvis impersonators who've set up a living Nativity scene on his property. One slip of a wingtip in some sheep poop lands Clay in the care of gorgeous Annie Fallon, whose big-haired Elvis-girlfriend get-up can't hide her wholesome, sexy appeal. Annie and her brothers have set up the Nativity scene to earn some badly needed money for their struggling dairy farm. The last thing she needs is an angry Yankee with a concussion and a come-hither smile . . . In JINX CHRISTMAS, sexy NASCAR star Lance Caslow makes a last-ditch effort to win back his ex-wife Brenda. Five years ago, his reckless pursuit of racetrack fame tore them apart and broke Brenda's heart. Now Lance shows up in Louisiana determined to make things right this Christmas, not just for himself and Brenda, but for their young daughter, Patti. He's got his work cut out for him, and desperate measures are needed. Lance will do anything to prove he's worthy of Brenda's trust again--even join the Cajun Christmas show starring a raucous Cajun family whose menfolk dance for charity events in little more than a smile . . . The two novellas and three short stories in this new collection by the critically-acclaimed, North Carolina-born author Leon Rooke are united by place and mood. Set largely in the post-WWII American South, peopled by Watermelon Queens and ten-year-old business men, these joyful, touching, brilliantly crafted pieces speak to a time and sensibility long forgotten. Each year, on a Saturday in November, emotions run high as the entire state of Alabama comes to a halt. Stores close. Bars open. Families, friends, and couples who on any other day of the year are civil to one another become enemies. Young men strap on their equipment to partake in the annual frenzy that they will not experience again in their lives, whether or not they go on to play professionally. And a victory gives them and their fans bragging rights for a year. Short of a national championship, to win the state's own Super Bowl -- ultimately dubbed the Iron Bowl -- may well be their greatest accomplishment. Above all, the very future of the football programs themselves hinge on which team wins. With remarkable access to both schools, A War in Dixie reveals the passions and the pressures that have made the Alabama Crimson Tide-Auburn Tigers rivalry the most feverish in the nation. Both head coaches -- Tom Tuberville and Mike DuBose, in his last game at Alabama's helm -- open their doors to meetings, practices, film study, team meals, and every other activity as they prepare for the Iron Bowl. From the coaches' first meeting at seven A.M. to lights out, hour by hour, day by day, we see what*

***the athletes and staffs endure in order to win. Looming over the proceedings are the long shadows of history: Paul "Bear" Bryant, whose Crimson Tide dominated the Tigers during his reign by winning nineteen of twenty-five contests, and Ralph "Shug" Jordan, who went head to head against the Bear for almost his entire career. And then there are the games: Ken Stabler's 47-yard touchdown run through mud in a driving rainstorm for a 7-3 victory, Van Tiffin's 52-yard field goal as time expired, and David Langner's two blocked punt returns for touchdowns that led to Auburn's shocking upset in what became known as the "Punt, Bama, Punt" game. Featuring a foreword by Ken Stabler, a former Crimson Tide All-American, A War in Dixie is hard-hitting proof of a hit of local wisdom: This isn't life or death, it's more important: it's Alabama-Auburn football!***
