The sixth book in a hilarious chapter book series about an accidental rule breaker from Katherine Applegate, Newbery Medal-winning and bestselling author of *The One and Only Ivan*, *Endling*, and *Wishtree*. It seems like everyone in Roscoe's class has Walkie-Talkies, the cool new shoes that let you talk to your friends, and his pal Gus wants a pair too. But Gus's parents won't buy them until his old, boring sneakers are worn out—and that could take forever. Luckily, if there's one thing Roscoe is good at, it's destroying things. . . . Roscoe and his comical misadventures will appeal to fans of Megan McDonald's *Stink* series; Nancy Krulik's *George Brown, Class Clown* series; Rebecca Elliott's *Owl Diaries* series; and Dan Gutman's *My Weirder School* series. The book is a study

of the rules of procedure of international conferences. It examines the legal basis of these rules of procedure and the history of their development since the end of the Second World War. The central part of the work consists of an examination of the practical application of rules of procedure at international conferences. The book also compares the application of rules at conferences with the relevant practice of the UN General Assembly, and the assemblies of international organisations such as the WHO and ILO. The book examines whether certain procedural rules and applications have become so well established that they have by now attained the status of customary international law. What if by breaking six specific rules, you could throw off the shackles of other people's expectations and pursue a more authentic and liberating faith? You can strengthen your connection with Christ by depending on him--not man-made rules--to transform you into
