INSTANT NEW YORK TIMES BESTSELLER A GOOD MORNING AMERICA BOOK CLUB PICK Their lives began together, but their worlds couldn't be  
more different. After thirty years of missed connections, they're about to meet again... Minnie Cooper knows two things with certainty: that her New  
Year's birthday is unlucky, and that it's all because of Quinn Hamilton, a man she's never met. Their mothers gave birth to them at the same hospital  
just after midnight on New Year's Day, but Quinn was given the cash prize for being the first baby born in London in 1990--and the name Minnie was  
meant to have, as well. With luck like that, it's no wonder each of her birthdays has been more of a disaster than the one before. When Minnie  
unexpectedly runs into Quinn at a New Year's party on their mutual thirtieth birthday, she sees only more evidence that fortune has continued to  
favor him. The gorgeous, charming business owner truly seems to have it all--while Minnie's on the brink of losing her pie-making company and her  
home. But if Quinn and Minnie are from different worlds, why do they keep bumping into each other? And why is it that each fraught encounter  
leaves them both wanting more? A moving, joyful love story, This Time Next Year explores the way fate leads us to the people we least expect--no  
matter what the odds. The Wallace Collection is both a national museum and the finest private collection of art ever assembled by one family. It was

In 1704 the French Orientalist Antoin Galland introduced to the Western world a translation of The Thousand and One Nights. Over the course of two subsequent centuries, numerous editions followed. Many of these, like Galland's, included texts of stories not found in the indigenous manuscripts of the Nights but selected by the European editors from other literary and oral collections of ordinary folktales and legends. Thus, the original work acquired a Western designation as The Arabian Nights, a title unknown among the masses in Arab lands. Now, three centuries later, original publication of The Thousand and One Nights is being celebrated with widespread, renewed interest in the work. Hasan El-Shamy's motif-index, based on an authentic folk edition of Alf laylah wa laylah, provides scholars of various fields accurate information about the content of this classic piece of Arabic folk tradition. From the New York Times bestselling author of This Time Next Year comes a heartwarming and hilarious tale that asks: What if you picked up the wrong suitcase and fell head over heels for its mystery owner? Hopeless romantic and lifestyle reporter Laura's business trip to the Channel Islands isn't off to a great start. After an embarrassing encounter with the most attractive man she's ever seen in real life, she arrives at her hotel and realizes she's grabbed the wrong suitcase from the airport. Her only consolation is its irresistible contents, each of which intrigues her more and more. The owner of this suitcase is clearly Laura's dream man. Now, all she has to do is find him. Besides, what are the odds that she'd find The One on the same island where her parents first met and fell in love, especially as she sets out to write an article about their romance? Commissioning surly cab driver Ted to ferry her around seems like her best bet in both tracking down the mystery suitcase owner and retracing her parents' footsteps. But as Laura's mystery man proves difficult to find—and as she uncovers family secrets—she may have to reimagine the life, and love, she always thought she wanted.
