Manhattan Transfer Mar 21 2020 Aliens kidnap Manhattan; read all about it. Manhattan is taken away and placed under a huge clear dome, through which the trapped residents can see dozens of similarly trapped alien cities. First published in 1993. Very much in the same spirit and scope as the 1996 film, Independence Day. Echoed in a small way by the 1996 Star Trek: Voyager episode "Displaced." Science Fiction Book Club selection. Reached the preliminary Nebula Award ballot. On the Science Fiction Chronicle best of year list. Rockies Award winner. HOMer Award nominee. Hugo Award Honorable Mention. Seiun Award nominee (Japan). La Tour Eiffel nominee (France). Reviews "Some ideas are just too good to pass up... the pleasure is in the nonstop action and the problem the characters must solve." -- New York Review of Science Fiction. "Considerable ingenuity... Think of it as a visually spectacular movie... and a really outstanding, imaginative, and professional production staff and special effects crew working to bring off the big set--pieces and guarantee the thrills." -- Locus "How can you possibly resist'... Superscience SF in the classic vein, fast--moving, heroic... loaded with sensawunda. You'll love it." -- Analog Manhattan Transfer was first published by Tor Books in 1993. Copyright 1993 by John E. Stith. All rights reserved. Amazon Kindle edition published 2008. Manhattan Transfer was first published by Tor Books in 1993. Copyright • 1993 by John E. Stith. All rights reserved. This edition published 2016 by ReAnimus Press. Chapter 1: "Going Up" was published in Amazing Stories May 1993. **The Best Times** Apr 02 2021 A record of his childhood, young adulthood, and twenties, The Best Times is a collage of cherished memories. He reflects on the joys of an itinerant life enriched by new and diverse friendships, customs, cultures, and cuisines. Luminary personalities and landscapes abound in the 1920s literary world Dos Passos loved. F. Scott Fitzgerald, Ernest Hemingway, E.E. Cummings, Gerald and Sara Murphy, Horsley Gantt—they are his beloved friends. Spain, the French Riviera, Paris, Persia, the Caucasus—they are his beloved footpaths.

American Literature and Immediacy Jun 23 2020 Demonstrates that the quest for immediacy, or experiences of direct connection and presence, has propelled the development of American literature and media culture.

Brazil on the Move Jan 19 2020 John Dos Passos, the distinguished American novelist and historian has been personally interested in Brazil for the last fifteen years. He first visited the country in 1948, and returned again in 1956 and 1962. This book, which is based on his experiences in Brazil, presents the people and landscapes of a young country on the move. Here you will find several extraordinary reports on Brasilia, first in the planning stage, second in the wildly frantic period when it was a half-finished group of buildings, and, finally, as it appeared to Mr. Dos Passos in the summer of 1962 when it was at last beginning to function as a city. Here, too, is the story of Brazil's great road building program designed to unify the country, and of the political battles in this enormous country which totters on the verge of a Communist takeover. From traveling the length and breadth of the land and from interviewing all kinds of people: politicians like Carlos Lacerda and religious leaders like Bishop Sales, Mr. Dos Passos has been able to transmit some of the flavor of the most important of Latin American nations. Mr. Dos Passos himself is of Portuguese descent, and he speaks Portuguese as well as Spanish. He begins this readable and fascinating book with a much needed short sketch of the history of Brazil and how the Portuguese tradition differs from the Spanish in South America.

Three Soldiers Jul 05 2021 Bitter invective against "the tyranny, misery, and degradation of life in the American army" during the European War.

Manhattan Transfer Feb 24 2023 Love, loss, and alienation unify a collage of characters chasing the American Dream during New York's industrial expansion. A thinly veiled critique of American capitalism from the Gilded Age to the Jazz Age.

An Analytical Study of John Dos Passos' Manhattan Transfer Apr 14 2022

Manhattan Transfer May 03 2021 Manhattan Transfer is an American novel by John Dos Passos published in 1925. It focuses

on the development of urban life in New York City from the Gilded Age to the Jazz Age as told through a series of overlapping individual stories. It is considered to be one of Dos Passos' most important works.

Manhattan Transfer Sep 19 2022

Easter Island Aug 26 2020 Despite sickness in the final years of his life, Dos Passos presses on for adventure. He and his wife journey to Easter Island, where they explore the history behind the famous statues—called moais. “When I was a small boy,” Dos Passos says, “some kind person took me to the British Museum. There I saw a statue, a huge, rough, dark-gray statue with [a] long, sad, dark-gray face. The statue stared back out of deep, sunken eyes. What was it trying to say? To this day I can remember the feeling it gave me of savage, brooding melancholy.”

Dos Passos and the Ideology of the Feminine Jul 25 2020 A study of the the role of the 'feminine' in Dos Passos's fiction.

Mr. Wilson's War Apr 21 2020 Beginning with the assassination of McKinley and ending with the defeat of the League of Nations by the United States Senate, the twenty-year period covered by John Dos Passos in this lucid and fascinating narrative changed the whole destiny of America. This is the story of the war we won and the peace we lost, told with a clear historical perspective and a warm interest in the remarkable people who guided the United States through one of the most crucial periods. Foremost in the cast of characters is Woodrow Wilson, the shy, brilliant, revered, and misunderstood “schoolmaster,” whose administration was a complex of apparent contradictions. Wilson had almost no interest in foreign affairs when he was first elected, yet later, in proposing the League of Nations, he was to play a major role in international politics. During his first summer in office, without any previous experience in banking, he pushed through the Federal Reserve Bank Act, perhaps his most lasting contribution. Reelected in 1916 on the rallying cry, “He kept us out of war,” he shortly found himself and his country inextricably involved in the European conflict. John Dos Passos has brilliantly coordinated the political, the military, and the economic themes so that the story line never falters. First published in 1962, Mr. Wilson’s War is one of the great books and an addition of major stature to any reader’s library

The Big Money Jun 04 2021 “It is not simply that [Dos Passos] has a keen eye for people, but that he has a keen eye for so many different kinds of people.”—The New York Times Marking the end of “one of the most ambitious projects that an American novelist has ever undertaken” (Time), *The Big Money* brings us back to America after the Great War, a nation on the upswing. Industrialism booms. The stock market surges. Lindbergh takes his solo flight. Henry Ford makes automobiles. From New York to Hollywood, love affairs to business deals, it is a country taking the turns too fast, speeding toward the crash of 1929. Ultimately, whether the novels of John Dos Passos’s classic USA Trilogy are read together or separately, they paint a sweeping portrait of collective America—and showcase the brilliance and bravery of one of its most enduring and admired writers. *The Big Money*, focusing on a passionate pilot whose compromises culminate in despair and an actress led astray by her ambitions, completes this “fable of America's materialistic success and moral decline” (American Heritage).

Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

March: Book One Dec 18 2019 Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. *Book One* spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

Modernist Visions of New York Sep 07 2021

The Grand Design Feb 18 2020 John Dos Passos’s literary response to Franklin Delano Roosevelt’s New Deal, *The Grand Design* critiques the gargantuan growth of bureaucracy in Washington during the Great Depression and World War II. The satiric novel conveys the author’s frustration with federal overreach and the hollow rhetoric that sells it to the people. “War is a time of Caesars,” writes Dos Passos as he laments the death of idealistic, intelligent enterprises at the desks of elitist administrators. After witnessing the Spanish Civil War claim so many well-intentioned men, he advises caution for America’s New Dealers: “Some things we have learned, but not enough; there is more to learn. Today we must learn to found again in freedom our republic.”

Orient Express Jan 31 2021 The journal of the author on a trip through Russia and the Levant (the eastern Mediterranean, including Syria and Lebanon), published in 1927.

The Most Dangerous Book Dec 30 2020 Recipient of the 2015 PEN New England Award for Nonfiction “The arrival of a significant young nonfiction writer . . . A measured yet bravura performance.” —Dwight Garner, *The New York Times* James Joyce’s big blue book, *Ulysses*, ushered in the modernist era and changed the novel for all time. But the genius of *Ulysses* was

also its danger: it omitted absolutely nothing. Joyce, along with some of the most important publishers and writers of his era, had to fight for years to win the freedom to publish it. *The Most Dangerous Book* tells the remarkable story surrounding *Ulysses*, from the first stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933. Written for ardent Joyceans as well as novices who want to get to the heart of the greatest novel of the twentieth century, *The Most Dangerous Book* is a gripping examination of how the world came to say Yes to *Ulysses*.

Manhattan Transfer Jan 23 2023

Manhattan Transfer. Dos Passos' depiction of the city of New York and Ellen Thatcher's & Jimmy Herfs' perception of the world Mar 01 2021 Seminar paper from the year 2007 in the subject American Studies - Literature, grade: 2,0, Ernst Moritz Arndt University of Greifswald (Institute of Anglican and American Studies - English Literature and Cultural Studies), course: Fragments shored against ruins: T.S. Eliots frühe Lyrik und die Entstehung der modernistischen Avantgarde, 9 entries in the bibliography, language: English, abstract: *Manhattan Transfer* is one of the earliest of that type of novels which has come to be known as „collectivistic“. The idea is to present a cross-section of the social structure, the social organism; an “over-view” of the subject in which details of individual lives merge in the general picture of society” (Belkind 1971:61). This quotation by Allen Belkind shows that the American author John Dos Passos is not interested in individual characters and their lives in *Manhattan Transfer* but in how the characters solve the problems and their everyday life in a metropolis, in the city of New York. I would like to deal with *Manhattan Transfer* by John Dos Passos which was first published in 1925. I will start with some autobiographical facts about Dos Passos to show how he grew up and how his life influenced his works. A short summary and the numeration of stylistic features of *Manhattan Transfer* will lead to the depiction of the city New York as the actual protagonist of this novel. There are different social groups such as immigrants or poor and rich people described in the book. I want to deal with Ellen Thatcher and Jimmy Herf as the protagonists, and I want to show how they perceive the world. This part is the main topic of this paper. There are numerous essays about the novel *Manhattan Transfer* and how it deals with New York. I am going to point out the images of New York and their effects on Ellen Thatcher and Jimmy Herf. John Rodrigo Dos Passos was born in Chicago/ Illinois on January 14th 1896. He studied at Harvard University and in Spain. He used the experiences he made as ambulance driver and medic in the Great War (1914-1918). For his first novel called *One Man's Initiation* (1917). It was first published in 1920. His breakthrough came in 1921 with his second war novel *Three Soldiers*. In 1925, he published the most significant big town novel of Modernism: *Manhattan Transfer*. In this novel he portrays an extensive image of New York's social classes between 1890 and 1925. In the paper *Facing the Chair*, Dos Passos fought for the anarchists Nicola Sacco and Bartolomeo Vanzetti who were executed after their political lawsuits. In his epochal masterpiece, *USA*, John Dos Passos raged in one "Camera Eye" episode:

Selected Works of Johann Wolfgang Von Goethe Nov 28 2020 Contains a brief biography of Goethe, a collection of some of his best-known works, and a sampling of his personal correspondence. Includes his four major works, together with a selection of his finest letters and poems. *The Sorrows of Young Werther* is a story of self-destructive love that made its author a celebrity overnight at the age of twenty-five. Its exploration of the conflicts between ideas and feelings, between circumstance and desire, continues in his controversial novel probing the institution of marriage, *Elective Affinities*. The cosmic drama of *Faust* goes far beyond the realism of the novels in a poetic exploration of good and evil, while *Italian Journey*, written in the author's old age, recalls his youth in Italy and the effect of Mediterranean culture on a young northerner. Translators include W. H. Auden, Louise Bogan, David Constantine, Barker Fairley, and Elizabeth Mayer.

Manhattan Transfer Oct 16 2019 This annotated edition of *Manhattan Transfer* provides the reader, in notes easily accessible at the bottom of the page, with the information necessary to grasp a fuller understanding of the novel's dense rendering of its early 20th century New York setting.
