Headphones can be considered loudspeakers that were specifically created to be placed over the ears of user's. They are electrical devices that convert electrical signals into sounds to be heard by the user. The main function of a headphone is to provide users with the ability to use them to privately listen to audio recordings. This is in direct contrast to a speaker that allows everyone in close proximity to hear the sound. Sometimes headphones can be referred to as ear speakers. There are many different types of headphones that have different audio reproduction abilities. They range from lightweight ear buds to heavy bass-pumping full-sized headphones that produce amazing output. These can offer a range of sound that, to date has remained a phenomenon. It allows audiophiles to hear every sound note and accurately identify every pitch. The average user will unlikely be able to differentiate the various sounds and*

itches. An experienced listener, however, is more likely to easily identify the difference. Featuring a fresh layout, revised maps, and more detail than ever before, the seventh edition of Parker's Wine Buyer's Guide offers collectors and amateurs alike

the ultimate resource to the world's best wines. Understanding that buyers on every level appreciate a good deal, Parker separates overvalued bottles from undervalued, with wine prices instantly shifting according to his evaluations. Indifferent to the wine's pedigree, Parker's eminent 100-point rating system allows for independent, consumer-oriented, inside information. The latest edition of Parker's Wine Buyer's Guide includes expanded information on Spain, Portugal, Germany, Australia, Argentina, and Chile, as well as new sections on Israel and Central Europe. As in his previous editions, Parker provides the reassurance of a simple number rating, predictions for future buying potential, and practical overviews of regions and grapes. Altogether, an indispensable resource from the man the Los Angeles Times calls "the most powerful critic of any kind." Parker's acclaimed guide, fully revised with ratings on the latest vintages from around the world, is one of the most authoritative wine guides available and now comes with expanded sections on the popular wines of California and Italy. Asia Bike Media - 118????? New fully up-dated of this essential guide to New Zealand wines The news is out! The Samsung Galaxy S6 Edge has been launched and announced to the public. The new invention was unveiled at the MWC2015. As expected the reaction from the public for the new product on the block known as Samsung S6 Edge sky rocketed! The Galaxy S6 EDGE features sturdy metal frame with Gorilla Glass 4 on both the front and back. This gives the phone a feeling of stability and durability.
