The #1 New York Times–bestselling author and self-help expert combines visualization and prayer to enhance the power of positive thinking. Norman Vincent Peale’s groundbreaking self-help classic, *The Power of Positive Thinking*, has dramatically transformed countless lives throughout the world with its powerful message of constructive affirmation. *Positive Imaging* builds on the principles originally presented in Dr. Peale’s life-changing, multi-million-copy bestseller, offering step-by-step guidance that will help you break through the barriers that stand in the way of achieving the harmony, happiness, and success you so fervently desire. In this essential volume, Dr. Peale takes the positive thinking idea a step further. By employing a potent mental process called “imaging,” you can eliminate problems and take firm control of your life. Keeping a clear and vivid picture of a desired goal in your mind until it becomes part of your subconscious will help you actualize your objectives by releasing previously untapped inner energies. With *Positive Imaging* you can banish fear and loneliness, strengthen and gain new confidence in your interpersonal relationships, improve your health, and eliminate your financial worries. The path to mental and physical wellness, spiritual well-being, and overall success in life is opening up right in front of you—let Dr. Peale show you the way. The tenth-anniversary edition of the book that changed lives in profound ways, now with a new foreword and afterword. In 2006, a groundbreaking feature-length film revealed the great mystery of the universe—*The Secret*—and, later that year, Rhonda Byrne followed with a book that became a worldwide bestseller. Fragments of a Great Secret have been found in the oral traditions, in literature, in religions and philosophies throughout the centuries. For the first time, all the pieces of *The Secret* come together in an incredible revelation that will be life-transforming for all who experience it. In this book, you’ll learn how to use *The Secret* in every aspect of your life—money, health, relationships, happiness, and in every interaction you have in the world. You’ll begin to understand the hidden, untapped power that’s within you, and this revelation can bring joy to every aspect of your life. *The Secret* contains wisdom from modern-day teachers—men and women who have used it to achieve health, wealth, and happiness. By applying the knowledge of *The Secret*, they bring to light compelling stories of eradicating disease, acquiring massive wealth, overcoming obstacles, and achieving what many would regard as impossible. Author of the greatest inspirational bestseller of our time offers positive strategies for success in business and personal life. The remarkable self-help phenomenon, *The Power of Positive Thinking*, plus the successful *The Positive Principle Today* and *Enthusiasm Makes the Difference* show why Norman Vincent Peale has helped millions of readers transform their lives and find joy and fulfillment. The international best seller book has changed the attitude of millions of people, thus enjoying their wishful life. The book narrates the philosophy of life in a simple manners, and shares author's spiritual experiences, helping the people lot. The author has very successfully suggested a simple, workable philosophy of living. He has written this book with deep concerns for the pain, difficulty and struggle of human existence. Besides, the author has also suggested many techniques and various examples making you confident not to be defeated by anything, thus providing peace of mind, and a never-ceasing flow of energy. This book will surely improve your relations with other people, and one could become a more popular, esteemed, and wellliked individual. A must have book for everyone making their living successful by following all the practical techniques. "If you want to live in this tough world and still have some real faith and optimism, this book is for you." -- Norman Vincent Peale The many ills of the modern world can be debilitating. With so much seemingly senseless violence, pain, and destruction, we need a lot of inner strength to overcome cynicism and despair -- and to remain hopeful about the future. With Dr. Peale's careful guidance, you can achieve happiness and security by learning how to:

- Conquer your fear
- Free yourself of guilty feelings
- Live well and prosper, personally and professionally
- Become physically healthy -- the natural way
- Stay enthusiastic even in poor circumstances
- Tackle problems hopefully and creatively
- Harness the power of prayer

"Change your thoughts and you change your life." -- Norman Vincent Peale *A Guide to Confident Living* shows you how to release your inner powers to achieve confidence and contentment. Using accessible language, Dr. Peale helps you find the way to new energy that will actually revitalize your life. Here, he offers advice on how to:

- free your inner powers
- "talk out" your troubles
- lose your inferiority complex
- achieve a calm center for your life
- practice the power of prayer
- find freedom from fear and sorrow
- attain marital, professional, and personal happiness

When Donald Trump was married to his first wife Ivana Ivana Zelníková in 1977, the family minister who officiated the wedding was the preacher and author of *The Power of Positive Thinking*, Norman Vincent Peale. Perhaps more than any other figure in American public life in the last decade, Donald Trump has been able to reimagine Peale's message of positive thinking to his political advantage. "I never think of the negative," he said after the opening of Trump Tower in 1983. Both Trump and Peale have appealed to people who, like themselves, have felt marginalized by an intellectual and cultural elite. Peale's 1952 book, which helped to drive the religious revival of the 1950s, remains a perennial bestseller, and has affected the lives of a vast public in the United States and around the world. In *God's Salesman*, Carol V. R. George used interviews with Peale himself as well as exclusive access to his manuscript collection to provide the first full-length scholarly account of Peale and his highly visible career. George explores the evolution of Peale's message of Practical Christianity, the belief that when positive thinking was combined with affirmative prayer, the technique of "imaging," and purposeful action, the result was a changed life. It was a message with special appeal for many in the post-War middle class struggling to rebuild their lives and have a voice in society. George examines the formative influences on Peale's thinking, especially his devout Methodist parents, his early exposure to and then enthusiastic acceptance of Ralph Waldo Emerson and William James, and his almost instinctive attraction to evangelicalism, particularly as it was manifested politically. Twenty-five years after its initial publication, and with a new foreword by Kate Bowler, *God's Salesman* remains a timely portrait of the man and his movement, and the vital role that both played in the rethinking and restructuring of American religious life over the last seventy years. A mix of thematic essays, reference entries, and primary source documents covering the role of religion in American history and life from the colonial era to the present. Often controversial, religion has been an important force in shaping American culture. Religious convictions strongly influenced colonial and state governments as well as the United States as a new republic. Religious teachings, values, and practices deeply affected political structures and policies, economic ideology and practice, educational institutions and instruction, social norms and customs, marriage, and

family life. By analyzing religion's interaction with American culture and prominent religious leaders and ideologies, this reference helps readers to better understand many fascinating, often controversial, religious leaders, ideas, events, and topics. The work is organized in three volumes devoted to particular periods. Volume one includes a chronology highlighting key events related to religion in American history and an introduction that overviews religion in America during the period covered by the volume, and roughly 10 essays that explore significant themes. These essays are followed by approximately 120 alphabetically arranged reference entries providing objective, fundamental information about topics related to religion in America. Each volume presents nearly 50 primary source documents, each introduced by a contextualizing headnote. A selected, general bibliography closes volume three. Timelines in each volume highlight key events in American religious history Some 30 essays survey broad themes central to American religious history Roughly 360 reference entries provide fundamental information about specific topics related to religion in American history Excerpts from around 150 primary source documents provide first-hand accounts of how religion has shaped American history Entry bibliographies and a selected, general, end-of-work bibliography direct users to additional information resources The New York Times bestselling inspirational story of impoverished children who transformed themselves into world-class swimmers. In 1937, a schoolteacher on the island of Maui challenged a group of poverty-stricken sugar plantation kids to swim upstream against the current of their circumstance. The goal? To become Olympians. They faced seemingly insurmountable obstacles. The children were Japanese-American and were malnourished and barefoot. They had no pool; they trained in the filthy irrigation ditches that snaked down from the mountains into the sugarcane fields. Their future was in those same fields, working alongside their parents in virtual slavery, known not by their names but by numbered tags that hung around their necks. Their teacher, Soichi Sakamoto, was an ordinary man whose swimming ability didn't extend much beyond treading water. In spite of everything, including the virulent anti-Japanese sentiment of the late 1930s, in their first year the children outraced Olympic athletes twice their size; in their second year, they were national and international champs, shattering American and world records and making headlines from L.A. to Nazi Germany. In their third year, they'd be declared the greatest swimmers in the world. But they'd also face their greatest obstacle: the dawning of a world war and the cancellation of the Games. Still, on the battlefield, they'd become the 20th century's most celebrated heroes, and in 1948, they'd have one last chance for Olympic glory. They were the Three-Year Swim Club. This is their story.

Includes Reading Group Guide "This is a result book....It is the story of the thrilling things that happened to people when they applied the principles of dynamic change to their lives." -- Norman Vincent Peale This accessible, all-encompassing guide will help you to achieve success and confidence, a sense of well-being, and an inner strength that you never dreamed possible. How? Through positive thinking -- a form of thought that involves looking for the best results from the worst conditions. Dr. Peale's time-honored methods include:

- step-by-step advice for developing personal strength
- confidence-building words to live by
- sound, sensible ways to overcome self-doubt
- effective strategies for achieving good health
- a program to release the vast energies within you
- accepting ourselves and our individual needs
- embracing the spiritual forces that surround you

"I am convinced that the fortunate individuals who achieve the most in life are invariably activated by enthusiasm." -- Norman Vincent Peale If you have a tough time coping with life's disturbances, disappointments, and challenges, this book is for you. Dr. Peale offers a simple, sure-fire solution for stress: a healthy dose of enthusiasm. Enthusiasm is the magic ingredient that can make the difference between success and failure, and it can help you to:

- improve your problem-solving abilities
- overcome your fears
- sharpen your mind
- make your job more rewarding
- calm your tensions
- build self-confidence
- kindle the powerful motivation that makes things happen

Written for a broadly ecumenical audience, 'Where Two or Three Are Gathered' explores what Harmon Smith calls the universe of discourse between the language of Christian worship and the language of morals. Following the customary order of the church's liturgy, Smith demonstrates how worship is meant to engender personal and social holiness, and how, for example, prayer, the eucharist, and baptism are inextricably tied to our moral understanding of such searing and conflicted issues as capital punishment, pacifism and warfare, surrogacy, and physician-assisted suicide. Norman Vincent Peale is the bestselling author of 'The Power of Positive Thinking' and 'Stay Alive All Your Life'. With this book he aims to demonstrate how to use the power of visualisation and auto-suggestion to turn one's thoughts into reality. After years of prosecuting hard-core criminals, rising legal star Alan Bell took a private sector job in South Florida's newest skyscraper. Suddenly, he suffered such bizarre medical symptoms, doctors suspected he'd been poisoned by the Mafia. Bell's rapidly declining health forced him to flee his glamorous Miami life to a sterile "bubble" in the remote Arizona desert. As his career and marriage dissolved, Bell pursued medical treatments in a race against time, hoping to stay alive and raise his young daughter, his one desperate reason to keep going. He eventually discovered he wasn't poisoned by a criminal, but by his office building. His search for a cure led him to discover the horrifying truth: his tragedy was just the tip of the iceberg. Millions of people fall ill and die each year because of toxic chemical exposures—without knowing they're at risk. Stunned by what he discovered, Bell chose to fight back, turning his plight into an opportunity. Despite his precarious health, he began collaborating with scientists dedicated to raising awareness about this issue. Soon, he also found himself drawn back into the legal field, teaming up with top lawyers fighting for those who had already fallen ill. Both a riveting medical mystery and a cautionary tale, this book puts a human face on the hidden truths behind toxic dangers assaulting us in our everyday environments—and offers practical ways to protect ourselves and our children. "The positive principle is based on the fact that there is always an answer, a right answer, and that positive thinking through a sound intellectual process can always produce that answer." -- Norman Vincent Peale How do you turn potentially devastating situations into actual life-strengthening experiences? Through the positive principle. In this groundbreaking book, Dr. Peale shows you how to renew and sustain the power of positive thinking...and take a new look at the word impossible. Using the positive principle, you'll learn how to:

- Organize your personality forces into action
- Use self-repeating enthusiasm
- Drop old, tired, gloomy thoughts and habits
- Work wonders with a can-do attitude
- React creatively to upsetting situations
- Believe that nothing can get you down
- Use the power of faith to come alive

The #1 New York Times–bestselling author of *The Power of Positive Thinking* shows how to transform optimism and confidence into concrete, real-world results. There is a definite relationship between positive thinking and positive or good results. Norman Vincent Peale, one of the 20th century's most influential self-help experts and spiritual leaders, introduced his practical and effective techniques for happiness and success in his groundbreaking book, *The Power of Positive Thinking*. In *Why Some Positive Thinkers Get Powerful Results*, Dr. Peale goes deeper, providing the specific tools you need to turn self-doubt into unshakable confidence and optimistic dreams into tangible reality. Included in this essential guidebook to a better life are 10 powerful techniques for setting and realizing your goals, a 3-point plan for eliminating depression, 6 positive thoughts that will quash destructive habits and impulses, a 3-point guide to a healthy body, mind, and spirit, and much, much more. Dr. Peale will make you a believer, in your life and in yourself, with essential wisdom and practical applications designed to help you become a truly positive and fulfilled human being. This little book contains forty health-producing, life-changing, power-creating thought conditioners...[which] will give clarity and power to your thoughts, peace to your mind, health to your body, and vitality to your life. Hope and Optimism for Life's Battle "Life is a puzzle, to be sure... but to every puzzle there is an answer." The power to do anything you want resides only within you. Be A Winner urges you to make use of it and be everything you have ever wanted to be. The author, Norman Vincent Peale, has outlined in this book, methods of living and attitudes of mind that you can follow to win over any obstacle that may come your way in life. It highlights all the possible sources of your spiritual and personal power and tells you how you can use them to your best possible advantage. Norman Vincent Peale, one of the most influential clergymen of the 20th century, is the author of forty-six books, including the international bestseller *The Power of Positive Thinking*. He was a progenitor of the theory of "positive thinking". Dr. Peale's legacy continues today through the Peale Center for ChristianLiving, the Outreach Division of Guideposts. Best-selling classics by Norman Vincent Peale *The Power of Positive Thinking* (special 35th anniversary edition). The greatest inspirational best seller of the century offers confidence without fear and a life of enrichment and luminous vitality. *Inspiring Messages for Daily Living*. Realistic, practical answers to the hundreds of problems we face from day to day -- ordinary problems encountered in personal difficulties, in family relationships, on the job, and in dealing with those around us. *You Can if You Think You Can*. Dramatic, heartwarming stories of how men and women -- of all ages and in all walks of life -- transformed their lives and careers by following Dr. Peale's philosophy of positive thinking. Learn to develop the vital knowledge of inner power to carry you over every obstacle. *The Art of Real Happiness* (written with Smiley Blanton, M.D.). An unusual blend of age-old truths and modern psychiatric techniques. Peale and Blanton identify -- and show how to overcome -- essential problems and conflicts

that so often plague us and frustrate our chances for happiness. Fulton J. Sheen, Norman Vincent Peale, and Billy Graham were America's most popular religious leaders during the mid-twentieth century period known as the golden years of the Age of Extremes. It was part of an era that encompassed polemic contrasts of good and evil on the world stage in political philosophies and international relations. The 1950s and early 1960s, in particular, were years of high anxiety, competing ideologies, and hero/villain mania in America. Sheen was the voice of reason who spoke against those conflicting ideologies which were hostile to religious faith and democracy; Peale preached the gospel of reassurance, self-assurance, and success despite ominous global threats; and Graham was the heroic model of faith whose message of conversion provided Americans an identity and direction opposite to atheistic communism. This study looks at how and why their rhetorical leadership, both separately and together, contributed to the climate of an extreme era and influenced a national religious revival.

Red Bird Come to Broadway :Book Three By: Delores Bryant Born Delores Bryant in a rural North Carolina town, the prophetic Red Bird Come to Broadway trilogy began. Delores' true-life story will have you in awe as the mystery unfolds. It has taken forty years to write this story, and at the age of seventy-seven, it has finally been finished, what started out in 1972, as Red Bird Come to Broadway. Follow this remarkable tale as Delores captivates you on this journey of poetry, prophecy, sex, and mystery that will keep you turning the page. Now, in last entry of the Red Bird Come to Broadway trilogy, this mysterious and sweeping journey concludes. Without knowing the Holy Spirit's work in history, we cannot possibly understand what He is doing today, much less prepare for what He will do. In this third and final installment, the reader will learn how Charles Parham founded the modern Pentecostal baptism with speaking in tongues, how Evan Roberts gained worldwide attention through the 1904-05 Welsh revival, and how William Seymour spearheaded an international Pentecostal movement from Azusa Street in Los Angeles in 1906. The reader will learn how Pentecostalism spawned new denominations, national and international ministries, global renewal movements, and inspired innovators to take modern revivalism to a whole new level. Then when Pentecostalism penetrated American Middle-class Protestantism, many observers began speaking of a "third force" in Christianity. Meanwhile, revolutionary changes in the Catholic Church opened the door for the Catholic Charismatic Renewal. Then, just as the charismatic movement was beginning to subside in America, it went global, as charismatic mega churches, Bible schools, and television networks took the message of renewal to the world. The twenty-first century has witnessed a dramatic shift in Christianity to the Southern Hemisphere fueled, in part, by the global rise of Pentecostalism, with many new movements on the horizon. Compiling the wisdom of nine books—including international bestseller *The Power of Positive Thinking*—this timeless classic provides readers with a daily message of inspiration and affirmation from Norman Vincent Peale. Norman Vincent Peale's philosophy of positive thinking has had an unprecedented influence on millions of people throughout the world. Now, the wisdom of nine books—including *The Power of Positive Thinking*—can be found within these pages. Timeless in their message, invaluable in the course of daily life, Dr. Peale's classic books provide inspiration when you most need it and lead the way to a fuller, happier, more satisfying life. With a new introduction by Dr. Peale, *Positive Thinking Every Day* will help make your every day the best it can possibly be. Ethics in business is the most urgent problem facing America today. Now two of the best-selling authors of our time, Kenneth Blanchard and Norman Vincent Peale, join forces to meet this crisis head-on in this vitally important new book. *The Power of Ethical Management* proves you don't have to cheat to win. It shows today's managers how to bring integrity back to the workplace. It gives hard-hitting, practical, ethical strategies that build profits, productivity, and long-term success. From a straightforward three-step Ethics Check that helps you evaluate any action or decision, to the "Five P's" of ethical behavior that will clarify your purpose and your goals, *The Power of Ethical Management* gives you an immensely useful set of tools. These can be put to work right away to enhance the performance of your business and to enrich the quality of your life. *The Power of Ethical Management* is no theoretical treatise; Peale and Blanchard speak from their own enormous and unique experience. They reveal the nuts and bolts, practical strategies for ethical decisions that will show you why integrity pays. "So Vince Lombardi was wrong. Winning is not the only thing as headlines and hearings from Wall Street to Washington confirm. Now comes a better game plan from the powerful one-two punch of Ken Blanchard and Norman Vincent Peale in a quickreading new book, *The Power of Ethical Management*. Peale and Blanchard may be the best thing that has happened to business ethics since Mike Wallace invented 60 Minutes. -- JOHN MACK CARTIERDD

Editor-in-ChiefDDGood Housekeeping/DIV Have you ever wondered why some people seem to catch all the breaks and win over and over again? What do the super successful know? What is standing between you and your wildest dreams? *The Book of Mistakes* will take you on an inspiring journey, following an ancient manuscript with powerful lessons that will transform your life. You'll meet David, a young man who with each passing day is more disheartened and stressed. Despite a decent job, apartment, and friends, he just feels hollow . . . until one day he meets a mysterious young woman and everything starts to change. In this self-help tale wrapped in fiction, you'll learn the nine mistakes that prevent many from achieving their goals. You'll learn how to overcome these hurdles and reinvent your life. This success parable is packed with wisdom that will help you discover and follow your personal purpose, push beyond your perceived capabilities, and achieve more than you ever dreamed possible. You'll find yourself returning again and again to a deceptively simple story that teaches actionable insights and enduring truths.

Red Bird Come to Broadway :Book Three By: Delores Bryant Born Delores Bryant in a rural North Carolina town, the prophetic Red Bird Come to Broadway trilogy began. Delores' true-life story will have you in awe as the mystery unfolds. It has taken forty years to write this story, and at the age of seventy-seven, it has finally been finished, what started out in 1972, as Red Bird Come to Broadway. Follow this remarkable tale as Delores captivates you on this journey of poetry, prophecy, sex, and mystery that will keep you turning the page. Now, in last entry of the Red Bird Come to Broadway trilogy, this mysterious and sweeping journey concludes. Born on May 31, 1898, in Bowersville, Ohio, USA, Norman Vincent Peale was the oldest of three children of Charles and Anna (née Delaney) Peale. He got his secondary school certificate from Bellefontaine High School, Bellefontaine, Ohio. He at that point learned at Ohio Wesleyan University and Boston University School of Theology. At OWU, he turned out to be essential for the Phi Gamma Delta club. One of the most powerful forces in business today is the positive psychology movement -- overcoming self-defeating attitudes and developing our talents and positive traits. Much of the new thinking, in fact, stems directly from the concepts in Norman Vincent Peale's great classic bestseller, *The Power of Positive Thinking*, which has been translated into forty-two languages and has sold over 22 million copies. Now, after years of extensive research and field testing, working in cooperation with the Peale Center and major corporations nationwide, Scott Ventrella has adapted those concepts into a systematic program for people in business to achieve greater levels of personal and professional performance. *The Power of Positive Thinking in Business* provides a practical way for each of us to develop and actually strengthen the ten traits of a positive thinker. Inevitably, our performance rises to new levels when we learn how to overcome negative attitudinal barriers such as fear, lack of self-confidence, and low self-esteem, and instead develop the traits that characterize a positive thinker: optimism, enthusiasm, belief, integrity, courage, confidence, determination, patience, calmness, and focus. *The Power of Positive Thinking in Business* encourages us to concentrate on objective, rational thinking instead of self-limiting beliefs and negative self-talk. The result is an increased ability to deal effectively with tough situations and difficult people, in both business environments and personal lives. Together, rational thinking and the ten traits of a positive thinker can turn defeatist behavior into productive actions that will overcome the toughest of challenges with powerful, positive results. Best of all, these practical yet powerful concepts are applicable to businesspeople at all levels, disciplines, and functions within an organization, and have been adapted to appeal to people of all faiths. The power of great thoughts is incalculable. To a large extent our lives are made by thoughts and ideas. We become finally what we think. In this treasury Dr. Peale has collected the powerful thoughts of great men, anecdotes about remarkable people and the best of inspired writing from around the world. Every page is designed to help you get outside the limited confines of your own world and personal interests, to become a participant in the affairs of men, and to join with others in creating a better way of life. The deeper purpose is to help overcome anxiety, to assist living with peace of mind, and to provide a source of courage and faith in everyday life. President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America's foremost deal-maker. "I like thinking big. I always have. To me it's very simple: If you're going to be thinking anyway, you might as well think big."—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker's art. And throughout, Trump

talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post The #1 New York Times bestselling author of The Power of Positive Thinking shows readers how to put his philosophy of optimism into action. Millions of people around the world have changed their lives for the better, thanks to Norman Vincent Peale and his Positive Thinking philosophy. Dr. Peale’s groundbreaking program of affirmation and positive visualization is an amazingly effective way to overcome any obstacles that may stand between you and success, happiness, and your mental, emotional, physical, and spiritual health and well-being. Positive Thinking works—and in The Power of Positive Living, Dr. Peale demonstrates how to use these techniques to conquer the fears and crippling adversity that may be holding you back from realizing your true potential in life. Self-confidence is the key and this book shows us how we can do it! With the “get-it-done twins,” patience and perseverance, any believer can be an achiever! Dr. Peale provides inspiring success stories from his own extensive experience as a counselor—such as a department store executive who turned his store into one of the chain’s most profitable by focusing on his past successes rather than his failures, and a woman who recovered her self-confidence and joy and purpose in living when she started volunteering with cancer survivors after her own breast cancer diagnosis cut short her modeling career. The wisdom, guidance, and practical advice provided in The Power of Positive Living will give you faith in yourself and in your power to achieve absolutely anything! Learn the secrets of communication that win elections, promotions, and customers, from Roger Ailes, media consultant to Presidents Ronald Reagan and George H.W. Bush, and the founder of Fox News. When you communicate with others, everything that makes you unique comes into play. From your appearance to your voice, from your beliefs to your life experience, you’re constantly sending signals about the kind of person you are. All of these signals, such as your facial expressions, your body movements, your vocal pitch, and more, are powerful and important in convincing others of your message. In You Are the Message, Roger Ailes argues that each and every one of us has the tools within us to persuade and influence others. And in this practical, sensible and entertaining book, you’ll learn how to present a message so compelling that even your most stubborn detractor will see the merit of your ideas. The #1 New York Times bestselling author of The Power of Positive Thinking provides a treasure trove of daily inspiration. To have a great day every day it helps to think great thoughts and to concentrate on at least one every day. Philosopher, self-help innovator, and minister, Norman Vincent Peale invites readers to Have a Great Day . . . every day! The influential author whose groundbreaking bestseller, The Power of Positive Thinking, changed millions of lives all over the world now offers inspiration for every day of the year with an uplifting volume of positive thought to nourish our souls and spirits, and help us through even the darkest of times. From profound “thought conditioners,” accentuating the everyday positive, to “spirit lifters” devised to help us soar above our troubles, Dr. Peale’s effective affirmations are “daily vitamins” keeping us mentally and spiritually healthy throughout each and every day of the year. Each dose of Dr. Peale’s thought-provoking words of wisdom addresses a specific topic in a wide range of emotional, psychological, and physical concerns—from tapping into our inner strengths to dealing with criticism and negativity, from achieving our personal and professional goals to learning how to release tension and relax. Have a Great Day will gladden the heart with essential insights and inspirations to help each of us live every day to its fullest. This is a collection of writings, including meditations, inspiring thoughts, and practical ideas for positive imaging and joyful living.
