The Handbuilt Home Dec 17 2019 Create a Beautiful, Modern Home with One-of-a-Kind DIY Furniture Beds, organizers, Adirondack chairs, a play table, and more! It's easy to build inexpensive, quality furnishings with this indispensable collection of woodworking projects from Ana White, the popular blogger who has inspired millions of homemakers with her stylish furniture plans and DIY spirit. As a young mom on a tight budget, Ana learned to make her own well-designed pieces inspired by the styles in her favorite stores—saving thousands of dollars in the process. Now, in this reference for woodworkers of all skill levels, Ana shares everything she has learned along the way. Inside The Handbuilt Home you'll find: • Plans for 34 versatile furniture projects for every room in your house—from beginner-friendly home accessories to sturdy tables, a media center, kids' items, and storage solutions •

Comprehensive information on using off-the-shelf lumber and basic equipment—almost every project can be made with a drill, a saw, and

some hand tools • Easy-to-follow instructions, costs, and time estimates to guide even the most amateur of carpenters through any project You don't need to be physically tough or superstrong to make your own furniture, and it's okay if you don't know that a 2x4 doesn't actually measure 2 by 4 inches. All you need is the determination to create a better home for yourself or your family and the confidence to say, "I can build that." Also available as an eBook

God Is a Gamer Jan 18 2020 Aditya runs a gaming company that is struggling to break even. A banker slips off a highrise building, plunging to her death. The finance minister has made some promises that he is finding hard to keep. The LTTE has unleashed terror in America that sends the FBI on a wild goose chase, bringing them to Mumbai. Enter Varun, parttime drug dealer and fulltime genius. He turns around the gaming company before disaster strikes. Meanwhile, the investigators plunge headlong into the shady world of bitcoins and the Dark Net, websites that only exist for illegal transactions—drugs, sex and money. *God Is a Gamer* culminates in a stunning climax where money means nothing, assassination is taught by the ancient Greeks, and nothing is as it seems.

Traditional Woodworking Handtools Jun 22 2020 For speed and production, but not necessarily quality, power tools are the norm in many amateur workshops. However, thanks to the maker movement, there is renewed interest among crafters and woodworkers in using traditional handtools. The personal satisfaction, the pleasure of hands-on work, and the more leisurely, contemplative approach to woodworking is replacing the need for the speed and noise of power tools. In *Traditional Woodworking Handtools*, the second volume in his *Illustrated Workshop Series*, Graham Blackburn has assembled a virtual encyclopedia of traditional woodworking handtools, including holding tools, saws, planes, edge tools, setting-out tools, boring tools, and striking tools. Each tool is listed and includes a full description of what it does and how it's used. His engaging writing, which includes anecdotes from his four decades as a master woodworker, entertains as well as instructs. And the hundreds of line drawings of handtools are illuminating. While also a reference for anyone collecting or simply fascinated by handtools, *Traditional Woodworking Handtools* is a user's guide for the woodworker and crafter, designed to help reintroduce many of these tried-and-true tools into today's workshops.
